**Media Credentials:** (All media pass requests MUST be submitted no later than Tuesday, May 31st)  
Country Stampede issues media credentials prior to the event to reporters and photographers on assignment at the festival. General credentials will get you a ticket onto the Country Stampede grounds. We ask for your cooperation in filling out this form and submitting all necessary paperwork for your Media outlet to help us identify **legitimate** media from the imposters. In addition to the request form, on your company letterhead, please fax or mail (no emails) a list of staff, their assigned duties, dates covering Country Stampede, and name and title of person submitting the request; including contact information. Please enclose a sample of what your respective Media Outlet has done for Country Stampede in the past, or an example of what may be expected. If accepted, you will have access to performances on all stages within the festival. If you are interested in speaking with, taping or photographing any of the performers, it must be arranged in advance with the artist's management or record label. If you are photographing an act, or an act has authorized some other backstage access, you will need to obtain a pass from the stage manager the day of the show. The band should facilitate this for you in advance.
