

## **House From Here**

By Jackson Gulick, Ian Mullins, Ryan Boey

(Verse 1)

Baby I know we ain't just killing time  
So it didn't really come as some big surprise  
When you asked me where we're headed  
From here there's only one direction  
Since I fell for you I've never felt so high

(Chorus)

'Cause I can see our house from here  
Yeah, the future's looking pretty damn clear  
And when we're walking hand in hand, I'm a better man  
I just want you to know where I stand  
From slipping on a diamond ring  
To kids laughing on the front porch swing,  
Yeah, what's mine is yours, girl you deserve  
My best for the rest of our years  
Oh, I can see our House from here

(Verse 2)

Baby I don't mean to come on too strong  
But now I'm thinkin' it's what you've been waiting on  
Cause girl that look is an open book  
And I can read between the lines  
Sittin here with you is the only view I want

(Chorus)

(Bridge)

Girl I know there ain't no rush  
We've got our whole lives ahead of us  
Gonna take my time, get it right  
For you

(Chorus)
